

Rempah – Rempah Restaurant is Honored to be Recognized as the World Luxury Restaurant Awards 2018

(Bali, July 2018) Rempah – Rempah Restaurant at Samabe Bali Suites & Villas is delighted to announce the winning of World Luxury Restaurant Awards 2018. The event itself was held in the Galgorm Resort & Spa in Northern Ireland. It is an annual event who is conducted to recognize and celebrate the success for exceptional service in the luxury wellness and fine dining industries.

Speaking about the awards, Ralf Luthe as General Manager of Samabe Bali Suites & Villas "This is the most successful year for Rempah-Rempah Restaurant, after being nominated as the Best Indonesian Restaurant in Bali and now we received such a high praise from the World Luxury Restaurant Awards 2018, where every luxury dining wants one".

Rempah – Rempah Restaurant at Samabe Bali Suites & Villas always strives to create a unique experience with the authentic taste of Asian culinary, in addition with a particular pride in the outstanding service.

Every delightful cuisines and beverages menu is meticulously created by the experienced Executive Chef, Mr Bagus, he ensures that diverse selection of the dishes is constantly evolving and consists from every prominent region in Asia, starting from Thailand with specialty in Balinese cuisines.
